## COMPANY PROFILE

TOHITA, started in 2016, products include copier toner cartridges, copier/printer remanufactured drum units, fuser units, and related accessories. And now, TOHITA has been the leading manufacturer of copier consumable in the world.

**Better quality | Better price | Better service, we called "3B", that's what we have been doing over the years. Our goal is to make Chinese better products to serve the world.**

### » Better quality

As an excellent factory, facing the complex competitive environment, we continuously improve product quality to meet customers' increasing expectations of quality.

TOHITA, a BV, TUV, ISO9001, ISO14001, ISO45001 certificated company, and the products have CE certification.

Through the standardized guidance of the international certification system, we constantly improve the quality control system, optimize the production process, select environmentally friendly raw materials, and strictly control the entire production process to make the product quality more stable and excellent.

### » Better price

TOHITA is also constantly improving work efficiency, optimizing management, saving energy increasing efficiency, and actively optimizing supply chain management. We have what others do not have, and we have what others have, to ensure that products have better price competitiveness.

Let customers buy better products at a more favorable price, and help partners win the local market better.

### » Better service

Long-term business experience, especially overseas sales experience, allows us to fully understand the needs of customers. Proficient in the export process, the communication with customers is easier and more efficient.

We have TOP10 customers in different markets, as well as small buyers. We always maintain the original intention of the customer first, and there is no strict MOQ requirement. Regardless of the size of the customer, whether it is a small order of several products or a container, it can be shipped smoothly to meet the various needs of customer procurement.

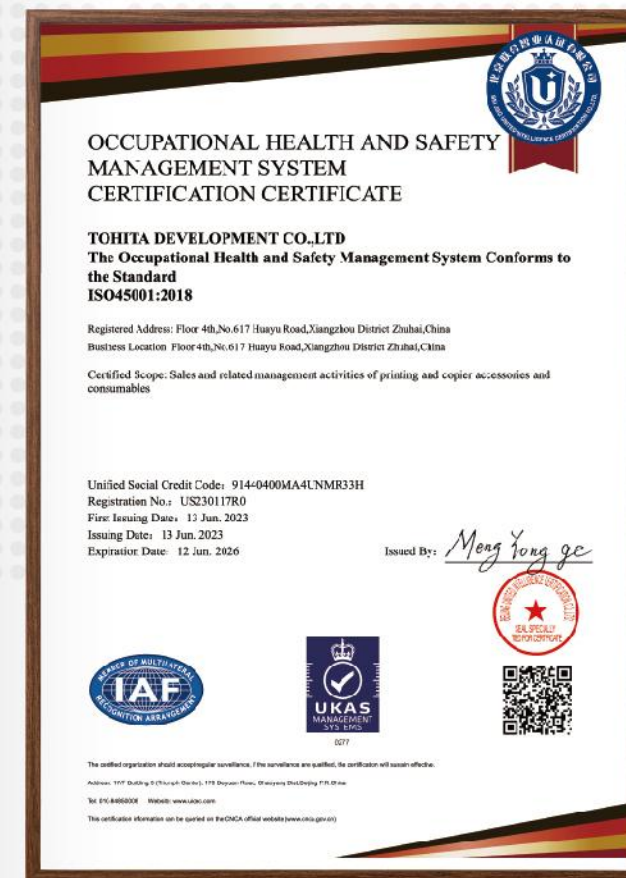

Possess strong comprehensive order processing capabilities. Although customers need a wide range of products, from small spare parts such as pick-up rollers to fuser units, including models that are extremely difficult to produce in the market, we can also provide customers with one-stop purchasing.

Faster new product launches help customers win business opportunities as soon as possible.

**China is a powerful country in production and has the reputation of being "the world's factory". TOHITA implements the "3B" concept, Better quality, Better price, Better service, let Chinese manufacturing serve the world.**

# QUALIFICATION >> CERTIFICATE

TOHITA DEVELOPMENT CO., LTD, has achieved remarkable success in obtaining three international certification certificates - ISO9001:2015, ISO14001:2015, and ISO45001:2018.

# FACTORY & WAREHOUSE >>

TOHITA - has been producing fusers independently for a long time, and we have our own technical staff to standardize the process from raw material incoming, inspection and cleaning, assembly to finished product to inspection. Technicians have at least 5 years of experience in the same field. The average industry production experience of other production line employees is more than 3 years. In addition to this, the factory management has a very strict quality control system to inspect every product. Therefore, our products have a good position in the industry.

TOHITA - As a technically strong printing consumable company that always focuses on premium quality products, all the products are strictly tested for their best combination of the components used therein before packaging to despatch to the valuable customers.

## Customer Visit

We have a professional management team and trained workers who engaged in this field for a long time. The testing will be done for each product before packaging to ensure the quality. We have prescription matching tests, raw material tests, 100% printing tests, and random tests. The product defective rate is less than the average level of the industry. TOHITA printer consumable is always your better choice.

We are dedicated to building a long-term, happy, reliable, and mutual development relationship with our clients and partners in the world. You are warmly welcome to visit our factory or contact us by phone or email. TOHITA not only manufactures consumable products but also seek successful business partnership.

## Full Container Transportation

# EXHIBITION REVIEW

Tohita participates in various consumables-related exhibitions all over the world, which enhances our relationship with customers. Let us review the excitement of the scene together.

## Domestic exhibitions

## Oversea exhibitions
